How to get the most from studying your Bible:

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

2 Timothy 3:16-17

When you read the Bible, God has provided it to do the 4 things italicized above in your life. So, when you read a passage answer these four questions and journal your answers:

TEACHING: What is the story of this passage, or what is it about?

REBUKING: How is this passage challenging me, my actions, thoughts or behaviors?

CORRECTING: What life adjustment is this passage suggesting for me?

TRAINING: What should this passage produce in my life and service?
